

IBA: A force for good

At IBA, we believe in the power of business to create positive change. Our mission is to be a force for good, shaping a better world through innovation, care, and performance. Here is how we do it:

1. Customer satisfaction

- We strive to **market products and provide services** that ensure the **highest level of safety and efficacy** for our users (and their patients)
- Customer satisfaction is our compass, guiding us toward excellence

2. Robust and Sustainable Practices

- We develop and maintain a **robust, transparent, efficient, and sustainable integrated management system**
- Compliant with all applicable regulations, we build a foundation for lasting impact

3. Environmental Responsibility

- We enhance our **environmental performance** by using resources efficiently and reducing waste
- **Sustainability** is our essence

4. Safe Workplace

- We prioritize **safe and fulfilling working conditions** for our employees
- Their health is a key asset

5. Risk Management

- We address **all risks** affecting our products, processes, and projects, including information security
- Vigilance protects our mission

Together, we create shared and long-term value for all stakeholders.
